

Urban Soundscapes

Urban Soundscapes is a unique community integration program for adults with disabilities that teaches functional community skills through found-sound music making.

Record

Listen and engage deeply with your surroundings at local parks, stores, museums and more!

Remix

Retain

Develop safety and navigation skills, as well as tools to inspire future exploration.

Mondays or Wednesdays (9:30am-2:30pm). We accept waiver and private pay for this program. NMT transportation is provided.

Interested? To sign-up, schedule an intake meeting at calendly.com/a-wilson-3 or contact Alexandra Wilson, MT-BC at a.wilson@kenandersonalliance.org
